

Managing Pesticides in Fresh Produce

6th—7th May 2021 (mornings only both days) – Webinar

Managing Pesticides in Fresh Produce training is aimed at Technical Managers who have regular contact with retailers in the UK. The course will be highly participative and will use practical examples to enable learning to be easily applied to real business situations.

Learning Outcomes

- Know the different types of pesticides, how they work and methods of application
- Understand EU pesticide legislation and how its implementation affects us now and what is expected in the future
- Ability to take representative samples for residue testing and interpret results
- Evaluate laboratories to select the most appropriate and understand how the analysis is conducted
- Analyse data to develop a residue testing plan and risk- assess suppliers

Course tutor:

Ian Finlayson— experienced technical manager, and government PRiF member

BASIS Points awarded for attending the day – 12

Please confirm in advance if these are required.

Harry Wilder, Barfoots- “an excellent course for ensuring our new team members have a sound understanding of the fundamentals of managing pesticide residue testing programmes and the associated risks”

Naomi Pendleton, AMT “I thoroughly recommend Ian’s course for any technical professionals working with fresh produce who wish to gain a greater understanding of pesticide management and risks. Practical, informative and relevant.”

Malcolm Laidlaw, 3ML “this course taught the background to their use, the legislation around their approval and practical applications when testing products and understanding what the test results mean”

Cost for attending the seminar:

The cost of the seminar is £375+VAT per person. This includes course materials.

Please complete the form below and send it back to Ian Finlayson to reserve your place– ian@psi-advantage.com

Payment should be made before the course and places will only be confirmed once payment has been received.

Agenda

Day 1– 6th May

8.30am *Registration opens (coffee/teas)*

8.45am **Discovery, Safety and Legislation**

Review of the situation in the UK and EU
Pesticide registration and what to do when countries do not have registration schemes
Future direction of legislation

10.45am *Break (coffee/teas)*

11.00am **Testing, Alerts and Laboratory Selection**

Evaluate laboratories to select the right one and know how the analysis is conducted
Laboratory tour at i2 FAST
Understand the importance of RASFFs and how to take action,
PRiF reporting and Measurement of uncertainty

11.20am **Sampling procedures**

How to take a representative sample
Quantity required and specific watch-outs

11.40am **The Good and Bad of farm visits**

Know what to look out for on farm visits
Understand how harvest intervals are recorded and can be verified
Know the significance of counterfeit pesticides

12.30pm **Finish for day 1**

Day 2– 7th May

9am **Certification, GAP, Organics and PPU**

Understand the different types of GAP schemes and how they operate
Know the principles of EU organic standards
Evaluate Plant Protection Product Lists (PPPL)
Understand reference sources available to support decision making
Know how to apply for a derogation

10.00pm *Break (coffee/teas)*

10.15am **Residue Testing Plans and Risk Assessment**

Understand the different pesticide groups and critical changes to pesticide approval/ MRL changes
Know how to develop a pesticide residue testing plan and complete the risk assessment
Evaluate the potential for biopesticides as an alternative to chemical pesticides

11.00am **Crisis management of residue exceedance**

Understand historical pesticide exceedances and how to investigate them
Know how to assess the significance of an MRL exceedance using toxicological data
Know how to reduce the risk of exceedances
Know how to take appropriate action if you have an exceedance

11.45am **Quiz**

12.15pm **Conclusions & Close**

There will be time afterwards to discuss any specific issues with the team if you wish

Cancellations: Candidates can be rebooked on to a subsequent course if 4 weeks notice is given, 2- 4 weeks notice a 50% charge is made, less than 2 weeks a 100% charge is made.
